The Client grants the power of attorney (mandate) to Inconsult Anstalt („the Broker“) in order to manage its insurance portfolio in accordance with the following principles:

1. The Broker supports the Client in all aspects of insurance and shall assist the Client in the settlement of claims.
2. In order to manage the Client's insurance portfolio the Broker is authorized, in consultation with the Client, to lead the necessary negotiations, to look into existing contracts and to cancel, change or relocate contracts.
3. The Client remains the policy holder and remains liable to all premium receivables.
4. New insurance contracts and amendments to contracts will be signed only by the Client.
5. Any payments resulting from insurance companies will be paid exclusively to the Client.
6. In connection with this agreement there are no additional costs or fees to the insurance premiums. The Broker will be compensated by the market standard fee of the insurer.
7. This agreement is valid from the date of signature.
8. The duration of the Brokerage Agreement is undetermined and may be terminated by both parties at any time in writing. If termination occurs within a year and the Broker has not received compensation for his services from the insurance companies, the Client pays an advisory fee of 5% of his total premiums, minimum CHF 300.--.
